Contact : 015510272893
Date of Birth: 02.03.2000
Nationality: Indian
LinkedIn: <https://www.linkedin.com/in/shan-desh/>
Address: Ingolstadt, Germany

EXPERIENCE:

Working Student in Internal Logistics and Warehousing Department

09.2025 – Current

POCO Einrichtungsmärkte GmbH, Munich, Germany

- Monitored daily inbound/outbound shipments and coordinated outbound order fulfillment to ensure seamless warehouse throughput.
- Managed inventory placement utilizing 5S methodologies, optimizing space utilization and improving picking efficiency, which directly contributed to achieving a zero inventory defects.
- Coordinating outbound order fulfillment, preparing shipments and verifying contents against delivery notes
- Managing the discrepancy reporting process for inbound logistics, including the documentation of damaged parts and incorrect delivery quantities to maintain 100% data accuracy
- Supporting daily warehouse operations, contributing to a safe and efficient workflow in a fast-paced retail logistics environment

Trainee Engineer in Research and Development Department

08.2022 – 01.2023

Crompton Greaves Power and Industrial Solutions Limited, Nashik, India

- Planned and designed in an effective way to reduce number of parts in order to achieve cost reductions
- Improved proficiency in 3D modeling software Autodesk Inventor to design sheet metal and copper components
- Utilized 2D drafting skills to generate production ready, accurate and detailed drawings from 3D models
- Project - Designed and manufactured a testing setup to evaluate a new eco friendly gas
- Executed material procurement using SAP and coordinating with Logistics team for on time delivery

Intern in Production Planning, Control, and SCM Department

11.2021 – 05.2022

Bosch, Nashik, India

- Incorporated GEMBA principles to clear out non-moving stock by physically visiting production areas
- Utilized SAP ERP (PP) software for Inventory tracking
- Created Value Stream Map (VSM) to analyze production workflow and identify bottlenecks
- Standards implemented for maintaining FIFO and Inventory levels by which non-value-added time was reduced which means Lead time was reduced
- Kaizen principles were applied to show inventory levels easily
- Japanese 5S was carried out at storage location for standardizing, maintaining FIFO, and reduced the searching time which was a waste
- Used in-house Scrum software as Project Management tool

EDUCATION:

Master's: Engineering and Management (Industrial Engineering) **10.2023 – Current**

Technische Hochschule Ingolstadt, Ingolstadt, Germany

Majors: Production Systems, Lean Manufacturing, Logistics, Supply Chain Management

Bachelor of Technology: Mechanical Engineering **08.2019 – 05.2022**

MIT World Peace University, Pune, India

Majors: Industrial Engineering, Production Systems, 2D & 3D Modeling (Autodesk Suite)

Diploma in Engineering: Mechanical Engineering **07.2016 – 05.2019**

K. K. Wagh Polytechnic, Nashik, India

Majors: Engineering Fundamentals, Part Designing (AutoCAD, Creo)

PROJECTS:

Master's Thesis: Feasibility of implementing a deposit refund system in India: Lessons from Germany's Pfand model **05.2026 – Current**

Research project: Sustainable Practices of Air Freight Transport **04.2025 – 07.2025**

Bachelor Thesis: Lean Organization implementation in the Value Stream **11.2021 – 05.2022**

Bosch, Nashik, India

- Achieved significant inventory reduction by standardizing FIFO and implementing 5S methodologies
- Optimized consumption control through Kaizen visualization techniques

Diploma Thesis: Design and Development of Press Tool **12.2018 – 04.2019**

Suyash Enterprises, Nashik, India

- Engineered a single progressive press tool to replace three separate tools (blanking, piercing, forming)
- Result: Reduced cycle times, lowered manufacturing costs, and cut electricity consumption by consolidating three machines into one

SKILLS:

Languages

German – B1 (Intermediate)

English – C1 (Fluent / Business Fluent)

Marathi, Hindi – Native

Technical Skills

Lean Six Sigma White Belt Certified

MS Office (Excel, Word, PowerPoint, Outlook, Teams)

SAP ERP (PP, MM) (Inventory management)

Jira (Project Management Institute certified)

Autodesk, PTC (CAD/Design Tools)

Soft Skills

Proactive and Structured working style

Intercultural Communication & Reliability

Collaborative & Team-oriented

High attention to detail
